We have included is an SFPD Radio Code Card for your reference. If you would like to request a specific incident, please resubmit your request or subpoena referencing the CAD number(s).

Looking at the column titled "Report No.," if there is a number referenced, this is indicative that a Police Report was generated by the San Francisco Police Department. **This office does not maintain police reports.** If you would like a copy of a police report, you will need to reference the listed number and contact the below department:
